

Lizenzbestimmungen für die StarMoney App

Star Finanz-Software Entwicklung und Vertriebs GmbH (nachfolgend "STAR FINANZ")

Stand: Februar 2020

Durch die Installation oder die Nutzung der StarMoney App (nachfolgend „Software“) erkennt der Lizenznehmer die nachfolgenden Lizenzbestimmungen uneingeschränkt an.

1. Einwilligung zur Übertragung von nicht-personenbezogenen Daten

1.1 Der Lizenznehmer willigt darin ein, dass zur Aufrechterhaltung und Verbesserung der Produktfunktionalitäten sowie zu statistischen Zwecken nicht-personenbezogene technische Informationen erhoben und an STAR FINANZ übertragen werden, welche die Anwendungssoftware und das Betriebssystem identifizieren.

1.2 Personenbezogene Daten des Lizenznehmers werden von STAR FINANZ nur insoweit verarbeitet, als dies zur Durchführung der angebotenen Dienste erforderlich ist. Eine automatische Erhebung personenbezogener Daten findet nicht statt. Der Lizenznehmer muss personenbezogene Daten selbst eingeben. Personenbezogene Daten werden nicht an Dritte weitergeleitet, außer wenn dies zuvor dem Nutzer kenntlich gemacht wurde und der Nutzer der Übertragung durch eine eindeutige und bewusste Handlung elektronisch zugestimmt hat.

2. Vertragsgegenstand

2.1 Dem Lizenznehmer wird von STAR FINANZ weder eine ausschließliche noch eine übertragbare Lizenz zur Nutzung dieser Software zu den Bedingungen dieser Endbenutzer-Lizenzbestimmungen gewährt. Die Nutzung unterliegt ferner den Nutzungsbedingungen und der Endbenutzervereinbarung vom Apple AppStore. STAR FINANZ ist alleinige und ausschließliche Eigentümerin der Rechte an der Software. Der Lizenznehmer erhält außer den hier beschriebenen Nutzungsrechten keine weiteren Rechte. Insbesondere ist es dem Lizenznehmer untersagt, die Software zu unterlizenzieren, zu verleihen und/oder in irgendeiner anderen Form die Software -bzw. das Recht zur Nutzung der Software- zu verbreiten.

2.2 Bei einer unentgeltlich eingeräumten Lizenz behält sich STAR FINANZ das Recht vor, innerhalb der Software Werbung einzublenden bzw. einblenden zu lassen, ohne dass der Lizenznehmer die Möglichkeit hat, solche Werbung zu unterdrücken.

3. Lizenz-Ausübung

Der Lizenznehmer wird die Software nicht ändern, übersetzen, zurückentwickeln, entkompilieren oder abgeleitete Werke erstellen. Die Software ist ausschließlich für die persönliche, nicht jedoch für die kommerzielle Nutzung durch den Lizenznehmer bestimmt. Der Lizenznehmer hat bei einem Verstoß gegen vorstehende Verpflichtungen unter Ausschluss des Fortsetzungszusammenhangs eine Vertragsstrafe in Höhe von EUR 1.000,- an STAR FINANZ zu zahlen. Die Geltendmachung von Schadensersatz ist dadurch nicht ausgeschlossen. Unbeschadet der Vertragsstrafe und der Geltendmachung von Schadensersatz wird STAR FINANZ bei Verstößen gegen die Lizenzbestimmungen das erteilte Nutzungsrecht widerrufen, ohne dass ein Anspruch auf Rückzahlung der geleisteten Lizenzgebühr besteht.

4. Schutzrechte

Der Lizenznehmer erkennt die Rechte von STAR FINANZ an dem Produkt (Patente, Urheberrechte, Warenzeichen, Geschäftsgeheimnisse) uneingeschränkt an. Das betrifft auch das Copyright an Dokumentationen, die schriftlich oder auf Computerspeichermedien vorliegen. Er verpflichtet sich, diese Rechte zu wahren und alle Schritte zu unternehmen, um Beeinträchtigungen oder Verletzungen dieser Rechte durch Dritte, soweit diese durch ihn oder über ihn in den Besitz des Produktes gelangt sind, zu unterbinden und zu verfolgen.

5. Produktaktualisierungen

STAR FINANZ kann jederzeit Ausführung und Inhalt seiner Produkte aktualisieren und/oder revidieren. Aktualisierte oder revidierte Produkte unterliegen ebenfalls diesen Endbenutzer-Lizenzbestimmungen.

6. Haftung und Gewährleistung

6.1 Das Produkt ist getestet und weist die angegebenen Funktionen auf. STAR FINANZ übernimmt keine Gewähr für die Eignung des Produktes bezüglich der beabsichtigten Verwendung des Lizenznehmers. STAR FINANZ übernimmt bezüglich der Überlassung von Alpha-, Beta-, Test- und Pilot-Versionen oder anderen nicht finalisierten Produkten keinerlei Haftung und Gewährleistung. Bei dem Einsatz solcher noch nicht zum Vertrieb freigegebener Software können Fehlfunktionen und sogar Datenverluste auftreten. Dem Lizenznehmer sind diese Risiken bekannt und er akzeptiert sie auch. Der Einsatz derartiger Programme erfolgt auf eigene Gefahr des Nutzers und unterliegt einem vollständigen Gewährleistungs- und Haftungsausschluss, was der Nutzer ausdrücklich zur Kenntnis genommen hat und auch akzeptiert. Diese Versionen sind nur zu Testzwecken zu verwenden und dürfen nicht öffentlich vorgeführt werden.

6.2 Die Gewährleistung erfolgt durch Nachbesserung bzw. Ersatzlieferung. Der Lizenznehmer hat das Recht zur Wandlung oder Minderung nur, wenn die Nachbesserung bzw. Ersatzlieferung fehlgeschlagen ist und dem Vertragshändler bzw. STAR FINANZ gegenüber eine Nachfrist von mindestens 30 Tagen gesetzt wurde. Eine weitergehende Gewährleistung ist ausgeschlossen. STAR FINANZ haftet dem Lizenznehmer nur nach Maßgabe dieses Vertrages. Weitergehende Schadensersatzansprüche des

Lizenznehmers sind ausgeschlossen soweit sie nicht auf Vorsatz oder grober Fahrlässigkeit beruhen. Die Haftung für indirekte Schäden ist ausgeschlossen.

6.3 Soweit der Lizenznehmer die seitens der STAR FINANZ angebotenen und online zur Verfügung gestellten Softwareaktualisierungen nicht in Anspruch nimmt, kann er sich im Rahmen der Gewährleistung und Haftung nicht auf einen etwaigen Softwaremangel berufen, soweit dieser etwaige Mangel durch die online zur Verfügung gestellten Softwareaktualisierungen hätte beseitigt werden können.

7. Erweiterte Nutzungsbedingungen für mobile Dienste

7.1 STAR FINANZ ist nur zur Bereithaltung der vom Lizenznehmer angeforderten Inhalte verpflichtet. Für die Übertragung dieser Inhalte ist alleine der jeweilige Mobilfunkanbieter des Lizenznehmers zuständig und verantwortlich. Die für die Übermittlung dieser angeforderten Inhalte anfallenden Telekommunikationsentgelte sind alleine vom Lizenznehmer zu tragen.

7.2 Die Inhalte der mobilen Dienste sind ausschließlich für die persönliche Nutzung durch den Lizenznehmer bestimmt und dürfen von ihm an Dritte weder übertragen noch in sonstiger Weise weitergegeben werden. Für die Nutzung der mobilen Dienste von Dritten gelten ergänzend die Nutzungsbedingungen der jeweiligen Dienstanbieter.

7.3 Die Inhalte und die Verfügbarkeit der mobilen Dienste sind alleine von dem jeweiligen Dienstanbieter (STAR FINANZ oder Drittanbieter) abhängig. Sollte ein Dienstanbieter technische und/oder inhaltliche Änderungen vornehmen oder kommt es zu Störungen und/oder Ausfällen bei der Nutzung dieser Dienste, so ist es möglich, dass dieser Dienst nicht mehr oder nur noch eingeschränkt genutzt werden kann. Ein Anspruch des Lizenznehmers auf Wiederherstellung der Nutzungsmöglichkeit dieses Dienstes besteht nicht. Insofern wird keine Gewährleistung für eine dauerhafte Nutzungsmöglichkeit dieses Dienstes übernommen; der gänzliche und/oder teilweise Wegfall dieser Dienste stellt keinen Mangel der Software dar.

7.4 STAR FINANZ behält sich ausdrücklich das Recht vor, unter Einhaltung einer Bekanntgabefrist von 60 Tagen, einzelne mobile Dienste zukünftig nicht mehr und/oder kostenlose mobile Dienste zukünftig nur noch zur entgeltlichen Nutzung anzubieten. Insbesondere kann STAR FINANZ unentgeltlich oder entgeltlich nutzbare mobile Dienste jederzeit einstellen; der Lizenznehmer hat keinen Anspruch auf unbegrenzte Nutzung dieser mobilen Dienste. Ferner kann STAR FINANZ bei unentgeltlich zur Verfügung gestellten mobilen Diensten Werbung einblenden bzw. einblenden lassen, ohne dass der Lizenznehmer die Möglichkeit hat, solche Werbung zu unterdrücken.

8. Beendigung des Lizenzvertrages

Verstößt der Lizenznehmer gegen eine oder mehrere Lizenzbestimmungen, so kann STAR FINANZ den Lizenzvertrag fristlos kündigen. Nach Beendigung des Vertrages ist der Lizenznehmer zur Nutzung der Software nicht mehr berechtigt.

9. Schlussbestimmungen

9.1 Es gilt das Recht der Bundesrepublik Deutschland, als Gerichtsstand gilt Hamburg als vereinbart.

9.2 Der Lizenznehmer ist nicht berechtigt, Rechte oder Pflichten aus diesem Vertrag zu übertragen oder abzutreten.

9.3 Sollten einzelne Bestimmungen dieses Vertrages unwirksam sein oder werden, so wird dadurch die Wirksamkeit der übrigen Vertragsbestimmungen nicht berührt. Die nichtigen bzw. unwirksamen Bestimmungen werden durch solche wirksamen Bestimmungen ersetzt, die dem wirtschaftlichen Zweck am nächsten kommen.

End-User License Agreement for the StarMoney App Star Finanz-Software Entwicklung und Vertriebs GmbH (hereafter "STAR FINANZ")

February 2020

By installing or using the StarMoney App (hereafter "software"), the licensee agrees unconditionally to the following terms and conditions.

1. Consent to the Transmission of non-personally identifiable Data

1.1 The licensee agrees that non-personally identifiable technical information that identifies the software version and operating system will be uploaded and transmitted to STAR FINANZ for the purposes of maintenance and improvement of product functionality as well as for statistical purposes.

1.2 The licensee's personal data are processed by STAR FINANZ only insofar as is necessary for the implementation of the services offered. Automatic collection of data does not take place. The licensee must enter personal data him- or herself. Personal data are not disclosed to third parties except when indicated to the user and the user has electronically consented to the transfer through a clear and conscious action.

2. Subject of Agreement

2.1 The licensee will be granted by STAR FINANZ neither an exclusive nor a transferrable license for the use of this software per the conditions of this end-user license agreement. Its use is further subject to the terms of service and the user agreement of the Apple App Store. STAR FINANZ is the sole and exclusive owner of the rights to this software. The licensee holds no additional rights outside of the usage rights described herein. The licensee is expressly forbidden from sub-licensing the software and from loaning and/or distributing the software and its respective usage rights in any other form.

2.2 When granting a free license, STAR FINANZ reserves the right to display advertisements or to permit advertisements to be shown within the software without giving the licensee the option to suppress such advertising.

3. Exercise of License

The licensee will not alter, translate, reverse engineer, or recompile the software or develop derivative works thereof. The software is intended strictly for the personal and noncommercial use of the licensee. Upon infringement of the preceding obligations, excluding continuation of offense, the licensee must pay a fine of 1.000,00 euros to STAR FINANZ. The claim of further damages is not precluded thereby. Without

prejudice toward the penalty and the recovery of damages, for infringement of the license agreement STAR FINANZ will revoke the user rights granted therein without the need to refund the license fee.

4. Trademark Rights

The licensee unconditionally recognizes the rights of STAR FINANZ to the product (patents, intellectual property rights, branding, trade secrets). This applies also to the copyright of documentation that is available in writing or on computer storage media. The licensee commits to protect these rights and to take all necessary steps to prevent and prosecute the curtailment or infringement of these rights by third parties insofar as these are undertaken through the licensee or the licensee's possession of the product.

5. Product Updates

STAR FINANZ can update and/or revise the performance and content of its product at any time. Updated or revised products likewise remain subject to this end-user license agreement.

6. Liability and Warranty

6.1 The product is tested and features certain functions. STAR FINANZ assumes no responsibility for the suitability of the product with respect to the intended application of the licensee. STAR FINANZ likewise assumes no liability or warranty for the transfer of alpha, beta, test, and pilot versions or other non-finalized product versions. The operation of such software releases not yet ready for market distribution can result in errors and data loss. The licensee is aware of and accepts these risks. The operation of such programs takes place at the user's risk and is subject to a complete warranty and liability exclusion that the user has expressly acknowledged and accepted. These versions are only to be used for testing purposes and should not be publicly presented.

6.2 The warranty is fulfilled through remedial measures or replacement. The licensee has the right to exchange or refund only if the respective remedial measures or replacement have failed and the authorized dealer or STAR FINANZ has exceeded a grace period of at least 30 days. A continuation of warranty is not possible. STAR FINANZ is liable to the licensee only within the provisions of this agreement. Additional damage claims on behalf of the licensee are precluded unless they are based on willful or gross negligence. The liability for indirect damage is excluded.

6.3 Should the licensee fail to take advantage of the software updates offered and made available online by STAR FINANZ, the licensee cannot invoke possible software defects within the framework of warranty and liability insofar as these possible defects might be eliminated by the provided software updates.

7. Extended Terms of use for Mobile Services

7.1 STAR FINANZ is responsible only to make available the content requested by the licensee. The respective mobile service provider of the licensee is alone authorized and responsible for the transfer of this content. The telecommunication charges for the transmission of this requested content are to be borne solely by the licensee.

7.2 The content of the mobile services is intended exclusively for the personal use of the licensee and may neither be granted to a third party nor imparted in other ways. The terms of use issued by the respective mobile service providers for the use of mobile services from third parties are additionally applicable.

7.3 The content and availability of mobile services are solely dependent upon the respective service provider (STAR FINANZ or a third party). Should a service provider make technical and/or substantive changes, or should there be interruptions and/or outages during the use of these services, it is possible that this service can no longer be used or can only be used in a limited capacity. The licensee has no claim to the restoration of these services. In this respect, there is no guarantee of uninterrupted usage of this service; the complete and/or partial discontinuation of these services does not constitute a defect of the software.

7.4 STAR FINANZ expressly reserves the future right to no longer offer individual mobile services in consideration of a 60 days announcement time and/or to charge for mobile services that are currently offered free of charge. In particular, STAR FINANZ can adjust or discontinue free-of-charge or paid mobile services at any time; the licensee has no claim to unlimited use of these mobile services. Furthermore, STAR FINANZ can display advertisements or permit advertisements to be shown within its available free-of-charge mobile services without giving the licensee the option to suppress such advertising.

8. Termination of the License Agreement

Should the licensee violate one or more of the terms of use, STAR FINANZ can terminate the license agreement without notice. Following termination of the agreement, the licensee is no longer authorized to use the software.

9. Final Provisions

9.1 The laws of the Federal Republic of Germany apply. Hamburg will serve as the place of jurisdiction if the licensee is a commercial merchant.

9.2 The licensee is not authorized to grant or relinquish the rights or responsibilities of this agreement.

9.3 Should individual terms of use be or become void or invalid, the efficacy of the remaining terms of use will not be affected likewise. In such cases, the void or invalid terms will be replaced by operative conditions that are near to the commercial purpose of the void or invalid terms. This regulation does not come into effect for contracts with consumers.

TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

1. Definitions.

"License" shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

"Licensor" shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

"Legal Entity" shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"You" (or "Your") shall mean an individual or Legal Entity exercising permissions granted by this License.

"Source" form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

"Object" form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

"Work" shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

"Derivative Works" shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

"Contribution" shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as "Not a Contribution."

"Contributor" shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. Grant of Copyright License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.

4. Redistribution. You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:

(a) You must give any other recipients of the Work or Derivative Works a copy of this License; and

(b) You must cause any modified files to carry prominent notices stating that You changed the files; and

(c) You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and

(d) If the Work includes a "NOTICE" text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided

that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions.

Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

7. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

8. Limitation of Liability. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall any Contributor be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if such Contributor has been advised of the possibility of such damages.

9. Accepting Warranty or Additional Liability. While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity,

or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.

TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

1. Definitions.

"License" shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

"Licensor" shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

"Legal Entity" shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"You" (or "Your") shall mean an individual or Legal Entity exercising permissions granted by this License.

"Source" form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

"Object" form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

"Work" shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

"Derivative Works" shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the

editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

"Contribution" shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as "Not a Contribution."

"Contributor" shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. Grant of Copyright License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.

4. Redistribution. You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:

(a) You must give any other recipients of the Work or Derivative Works a copy of this License; and

(b) You must cause any modified files to carry prominent notices stating that You changed the files; and

(c) You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and

(d) If the Work includes a "NOTICE" text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions.

Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

7. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

8. Limitation of Liability. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall any Contributor be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if such Contributor has been advised of the possibility of such damages.

9. Accepting Warranty or Additional Liability. While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.
